

# The Matrix of Success

Success is Within Your Reach!

Dear Business Owner,

The Matrix of Success is a motivational organization encouraging and mentoring people to believe all things are possible and that success is for everyone. Through events in multiple venues, we encourage a desire to see dreams become a reality. Although success is not for a limited few, only a few choose a fulfilling life and future. Through the publication of Success Traxx as well as other materials and events, our positive impact will encourage one person at a time to believe – changing the world we live in! **Will you believe with us?**

The universe has been created on a set of Universal Laws that are part of a Creative Intelligent Design by God, allowing us to do well, living happy and healthy lives. Looking for the good in the world around us release's a genius of God given resources to move in faith and confidence. As we move out in belief and faith of a better world, seeing our dreams as a possibility, our situation miraculously changes.

Our ability to bring this message is assisted by companies like you who become Corporate VIP's and participate with us to bring about the change we so desperately need. As we hold public events offering a quality power packed time, encouraging people to hold on to their dreams – we would like your help by advertising with us. The benefits of becoming a Corporate VIP vary depending on level of participation.

1. Full Color Advertisement in Success Traxx handouts at meetings and in the community.
2. Direct monthly mailing of copies of Success Traxx to homes.
3. Website link promotion.
4. Website banner promotion.
5. Brand representation at events.

You are receiving this letter because we believe you are a company desiring to make a difference. You have worked hard to build your business and we would count it a privilege if you would participate with us to make a difference in this community.
